The Feast of the Sacred Heart of Jesus

During the month of June, the Church reflects on the Sacred Heart of the Lord Jesus.

The heart is the seat of all passion. The sacredness of the Lord helps all Christians to contemplate the human disciplines necessary to respond in faith to the Lord's command to love one's neighbour with the same kindness and love that radiates from the heart of the Lord Jesus for all humankind.

God's love for us comes from the outreach of the heart of the Son of God. Therefore, this is pure love, a love that shows us the way to have compassion and sincere love for one another. The love of Jesus for each of us is a Sacred love. It is not sentimental. It is true love from Our Father in heaven. This love draws each of us into the communion of truth in God, the Father, the Son and the Holy Spirit.

May the sacredness of the Heart of the Lord Jesus Christ draw you into genuine participation in the life of the Holy Trinity of the eternal Godhead.

Through prayer, let the Sacred Heart of Jesus, fill your heart with new spiritual confidence, that you may be renewed in the practice of your faith and hope in love.

...as I retire from active ministry in the Diocese of Peterborough

I extend to each of the Parishioners in our Tri-parish Cluster, my sincere, deepest gratitude for the time I have spent with you. While in service to the Lord, I have been conscious that it is His Church and His people that I serve. You have made my burdens light. The work in His vineyard will continue to be a joy and delight for me, in future endeavour. I commend each of you, dear brothers, and sisters, to the Lord Jesus.

Let us remember one another in our prayers.

God Bless you. Fr. Christopher Reynold
