### ***Thoughts from Henri Nouwen to take with you to prayer ...***

"Solitude is the place where we can connect with profound bonds that are deeper than the emergency bonds of fear and anger."

"If fear is the great enemy of intimacy, love is its true friend.

"A shared pain is no longer paralyzing but mobilizing,  
when understood as a way to liberation."

"Hospitality is not to change people, but to offer them space where change can take place."

***Items for the Bulletin*** - We will be going to a weekly bulletin to accommodate the many ministries and events in our parishes and things that come up. If you have a parish item or something related to our communities that you would like to have in the bulletin, please send it to the office by Tuesday, so that it can make it into the coming weekend bulletin.

***Gratitude*** - I wish to extend my thanks and gratitude, to you the parishioners. You continue to support your parishes through your time, talent and treasure. Some of you are up front and centre, while others may be behind the scenes, helping and supporting. What you all do, and how you contribute to the common good, matters greatly. I hope we may continue to grow in faith and charity, not merely within our churches, but beyond our walls into the community, being signs of good will and hope. Peace and Stillness. Fr. Paul

*"A church that doesn't provoke any crises, a gospel that doesn't unsettle, a word of God that doesn't get under anyone's skin, a word of God that doesn't touch the real sin of the society in which it is being proclaimed — what gospel is that?"*

*St. Oscar Romero*
